European streetscapes come to Sunport Takamatsu.

Our Christmas market, reminiscent of those in Europe and full of magical illuminations, is making its debut in Kagawa. There will be a real ten-meter fir Christmas tree and Santa's house, with the opportunity to meet Santa Claus every day! We will sell food perfect for a Christmas spent abroad and miscellaneous goods in Huttes (German inspired wooden huts). A skating rink, music stage, and illuminations that integrate the venue and the arena will color Sunport Takamatsu in December.

Hutte

Goods are sold here.

A winter moment that feels like you traveled to Europe. Come and experience an authentic Christmas spirit in Kagawa, where wooden huts overflowing with the warmth of trees line the streets.

Skating Rink

This event costs money

Our skating rink, which makes use of tree resin (Magic Ice) instead of regular ice, will make its debut! You can enjoy this new winter activity with your family. We hope you will give it a try!

How to participate: Participation is on a first-come, first-served basis at the venue. We will distribute a numbered ticket after registration. The cost of participation for non-residents of Kagawa is 600 Yen per person for 30 minutes. If you are a resident of Kagawa Prefecture and present your My Number Card or another document that proves your place of residence, you will be charged 500 Yen. You can pay with cash or PayPay at the reception desk. We will only use the IC chip of your My Number Card, not the number itself. [Warning] the target age for this event is four and older. Children not enrolled in school must be accompanied by a guardian. When playing, children are required to wear gloves and socks.

Illumination and Light Up

The venue is enveloped in a variety of colorful illuminations, including a magical, tree-lined street that changes colors (this road leads to Santa's village) and an illuminated sign that spells out "KAGAWA"

★Illuminations are from 5:00 PM to 9:00 PM

Music Stage

Christmas timbres that resonate in your heart envelop the wintry night. Please enjoy a "special night" where gospel, jazz, and Christmas carols resonate on a magical stage, and light and sound interweave.

★For more details on the program, please visit our website.

Santa Claus

Santa Clause is coming to town! We will hold a special greeting event where you can take pictures with Santa and shake his hand. We are also preparing a small prize for children.

★Greeting time: Every day at 4:00 PM, 5:00 PM, 6:00 PM, 7:00 PM, and 8:00 PM.

Original Mug Cup

There will be a special debut for our original mug cup that can only be bought at the KAGAWA Christmas Market. The cup was specially designed to commemorate this event by Unino Reona, an illustrator from Kagawa.

★Supplies are limited.

Christmas Tree

A real fir Christmas tree will tower over the venue imagined after Santa's village. If you take a photo together near the tree, it will become an unforgettable memory.
